

To champion the issues for offenders families, offenders and their children in order to eradicate stigma, increase life chances and bring about change.

POPS WILL PROVIDE A VARIETY OF SERVICES TO SUPPORT ANYONE WHO HAS A LINK TO SOMEBODY IN THE CJS, TO ENABLE THEM TO COPE WITH THE STRESS OF ARREST, SENTENCE, IMPRISONMENT, RELEASE AND REINTEGRATION

Sustain a reputation for excellent service delivery and professionalism by investing in quality staff and being innovative with our solutions.	Communicate messages that reflect our value base, diversity and commitment to all our stakeholders.	Ensure the “User Voice” is at the heart of everything that we do.	Build a robust business support structure to ensure competent, financial and commissioning expertise.
--	--	---	--

To speak up on behalf of those who have no “voice”	To value the “lived experience” of those we work with	To challenge discrimination whenever we come across it	To instil a “good housekeeping” ethos in relation to all financial transactions	To continuously work towards providing the best service we can to all stakeholders	To be brave and passionate.. it helps!!
